

Sherlock Holmes

CONSULTING DETECTIVE

Sherlock Holmes

CONSULTING DETECTIVE

The Case Of The Mummy's Curse

Four men found dead. Some say the murderer is a 4000 year old Mummy exhumed during an archeological dig in Katebet, Egypt. Were their murders simply coincidental or were these men cursed from the crypt?

The Case Of The Mystified Murderess

Two sisters. One beautiful. The other quiet and plain. A single man. Tall, handsome... and dead. Who did it? Was it jealousy or was it greed? Could the murder be tied to a rash of burglaries causing panic in the upper-class communities of London?

The Case Of The Tin Soldier

Waterloo, 1815. Power and Passion. He was an officer but not a gentleman. Now, years later, the retired General has been murdered, a jewel stolen, and a king's ransom waits to be claimed. Who killed General Armstead and why?
